

FCC Commissioners
The Federal Communications Commission RE: Docket 04-435
445 12th Street, SW
Washington, DC 20554

Dear FCC Commissioners ,

I think that is a wonderful idea. That way I can receive text messages and sent them. And when need contact the office.

Also I would like see the ability to receive pages and send pages. This way i am not so out of touch with my office.

And I would like to thank the CWA for sending me this email and once again they are incorrect and on the wrong side of an issue.

Thanks - Sean

Sincerely,

Sean Cullen
